

PICNICKING.

Mr and Mrs. W. H. White and their children enjoyed a fourth of July picnic between Abbeville and Anderson after which they went into the city and saw the sights.

A NEW MAN.

Mr. Henry Fitts, of Gadsden, Ala., has come to Abbeville and will work with the street paving people, his special job being to speed up the work on the sidewalks. He has rooms at Mrs. Rogers.

PICNIC AT BLACK'S MILL

A number of the young people of the city attended a moonlight picnic at Black's Mill last night. The supper was the feature of the evening but everybody reports a most enjoyable time.

IN THE LAND OF THE SKY

Among the Abbeville people who took advantage of the opportunity to cool off in the mountains around Asheville the Fourth were Mr. and Mrs. Joe Little, Dr. and Mrs. S. G. Thomson, Carroll Swetenburg and Leslie McMillan.

TO THE MOUNTAINS.

Messrs R. E. Cox and Neil Swetenburg left today for a two week's trip through the mountains of North Carolina. Mrs. R. L. Mabry, Miss Susie Mabry and Miss Margaret Perrin accompanied them in the car as far as Montreat.

A POOR HOLIDAY.

Mr. McKernan, one of the good looking bosses with the street paving people, got off to celebrate the fourth by going to see his home folks at Sanford, N. C. He was delayed 12 hours by a wreck on the railroad. He got home in time to catch a return train and was back on the job Tuesday morning.

HATCH BAND IN SPARTANBURG

The Hatch Concert Band of the Abbeville cotton mill spent the 4th and 5th of the month in Spartanburg where they filled engagements rendering excellent music in the City of Success. We hope Major Hemphill found time from his arduous labors to hear the good music from the old home town.

SPENDING THE SUMMER.

Mrs. S. M. Estes and her four lovely little daughters, Elizabeth, Virginia, Caroline and Margaret, are in Abbeville and will spend the summer with her parents, Mr. and Mrs. J. E. Poore, on Parker street. Mr. and Mrs. Estes have recently moved from Virginia to Jacksonville, Fla., so Mrs. Estes and the children will spend the hot weather here.

SOME FINE PLUMS.

While we were riding about a little Monday afternoon we were hailed by Horace King as we passed his father's country home and filled both our side pockets and inside with some delicious plums from his cultivated thicket. The young lads riding with us were plumb full of plums and left with their caps also full. Mr. King has some of the prettiest fields of

Cleveland Big Boll cotton we have seen and lots of it is blooming. We wish more of our farmers would follow Mr. King's example and paint up. He has recently painted all his tenant houses and outhouses white and the appearance of the whole plantation is greatly enhanced thereby.

GIBERT REUNION.

J. S. Gibert gave much pleasure to his kindred when he held a reunion of his clan at his hospitable home in the County Monday. All of his children, grand-children, nephews and nieces were present and among the outsiders who partook of Mr. Gibert's hospitality were Rev. and Mrs. J. B. Hillhouse and Rev. John A. Smith, who is conducting a protracted meeting at Lebanon church this week.

HARRIS GETS PLACE

Anderson, July 3.—Leon W. Harris of the local bar, has been appointed by Judge H. H. Watkins, as commissioner for the United States district court to take the place made vacant by the resignation of C. B. Earle, Mr. Earle's resignation having taken place July 1.

Mr. Harris is a member of the firm of Tillman, Mayes and Harris, has a splendid record as an attorney and that he will make a good commissioner goes without saying.

SAYS ALIENS MOVING
INTO AMERICA FAST

New York, July 5.—The present immigration situation portends to curtailment of the foreign supply, Frederick A. Wallis, commissioner of immigration at Ellis Island, commented in making public today statistics for the fiscal year ended last Wednesday.

Though total departures were 334,254, or 19,786 in excess of arrivals he declared that the incoming tide of aliens is increasing. He pointed out that the immigration station was not reopened on a prewar basis until last March, and that most of the outgoing aliens are bringing their families back to America when they return. Immigrants are arriving as fast as they can obtain transportation, Mr. Wallis said, adding he had been informed by steamship agents that they have full passenger bookings here far in advance.

20,000 ORPHANS OF
FRANCE SALUTE U. S.

Ambassador Wallace Reviews Paris Parade; Millerand Greets America.

Paris, July 5.—Twenty thousand orphans of France, whose fathers gave up their lives in the great war filed past Hugh C. Wallace, the American Ambassador, in the Tuileries Gardens this morning, dipping minia-

ture American flags as a tribute to the United States on Independence Day. Undaunted by the driving rain, the little tots, shouting "Vive l'Amerique!" marched from the Place de la Concorde to the Tuileries. Ambassador Wallace said it was a most impressive and touching manifestation. "The future of France lies in such children, the sons and daughters of the glorious soldiers who fought and died under the immortal leadership of Marshal Joffre and his successors," the ambassador declared in a short address.

The annual ceremony at Lafayette's tomb in Picpus Cemetery was held and wreaths were placed on the tomb.

Paris was decorated with French and American flags. They were entwined on the Bank of France, the Ministry of Finance and all public buildings.

Cordial Independence Day greetings to the American people were cabled President Wilson by Premier Millerand yesterday. The Premier's cablegram follows:

"July 4, the anniversary of the liberation of a democracy dear to us; will be celebrated by our country like a national fete. In our universities and our schools teachers will recall to the youth of France the significance of your independence and the spontaneous cooperation of France in this great event. Your flag will float over our public monuments and will be respectfully saluted by our people."

DESTROYED BY FIRE

"A disastrous fire in the wee small hours of Sunday morning completely destroyed the building and contents of the general merchandise store belonging to I. C. Brown on lower South Main Street, and only the walls of the Methodist church next door are left standing.

"Mr. Brown's loss is practically complete, the total insurance on both the store building and stock of goods being only \$1450 while he estimates his stock alone to be worth approximately \$10,000.

"The Methodist church which was also destroyed fared slightly better the stewards having \$1,500 insurance on it. Nothing was saved from the church except the pulpit chair and the organ."
